

## How many times can your Unified team juggle a soccer ball?

### Equipment Needed:

- Soccer ball
- Score card

### Rules:

- Team of 2
  - Unified (1 athlete 1 partner)
- Juggle as many times as you can until the soccer ball hits the ground
- You can have 10 consecutive turns of juggling and record your highest score
- No hands or arms
- Can use knees and feet and head
- Record your score individually
- Add up your team's score
- Send in the final team score

### Modifications:

- Lighter soccer ball (beach ball/volleyball/kick ball)
